(Directly across from the Parks Canada Info Centre)

## EXPLORE A ROUTE ONCE USED BY THE FUR TRADERS (THE ATHABASCA RIVER)

We travel in 25 foot oar powered rafts. Don't worry we do all the rowing while you sit back and enjoy the scenery as this 2½ hour round-trip navigates its way through many sets of small rapids and calm stretches, which allows your Licensed Guide to point out the natural and human history of the park.

- **RESERVATIONS ARE RECOMMENDED** \*Please arrive at the Totem Pole (607 Connaught Dr) at least 15 minutes prior to departure time. Hotel pick-up available upon request.
- **WHAT TO BRING** Casual clothing and footwear, that you don't mind getting wet, are appropriate for this river trip. Mountain weather is always unpredictable so bring a sweater or jacket just in case. We operate "rain or shine" and will provide a rain poncho if it is required. Cameras are welcome, but you bring them at your own risk and responsibility. Souvenir photographs of your raft trip will be available for your viewing and purchase.
- **SAFETY & RESPONSIBILITY** Each raft is manned by a qualified National Parks' Licensed Guide. A personal floatation device will be provided for each person to wear while rafting.

While we make every effort to assure a safe trip, customers must acknowledge that the sport does involve inherent risk. Jasper Raft Tours Ltd., its owners, directors, employees and/or agents will not be responsible for any damages, injuries, losses, delays or expenses caused by reason of rafting and all related activities. With this in mind, each participant will be required to sign a waiver and release form prior to departure.

*We reserve the right to cancel or change a trip.*
